## Summary

Motivated and detail-oriented Frontend Developer with a strong foundation in HTML, CSS, JavaScript, and TypeScript. Hands-on experience in building responsive, interactive web applications using React, Next.js, Redux Toolkit, and Tailwind CSS. Passionate about clean code and UI/UX best practices. Actively seeking an entry-level opportunity to apply and grow in a collaborative development environment.

## Skills

- **Languages:**HTML,CSS,JavaScript,TypeScript,Python(basics)
- **Technologies/Framework:**React,Redux Toolkit,Tailwind CSS,MUI,Next.js
- **Backend(Basics):**Node.js, Express.js, MongoDB, MySQL
- **Tools:**Git , GitHub and Vercel
- **SoftSkills:**communication,Adaptability,Teamwork,Problem Solving,Leadership

## Education

**Swarnandhra College Of Engineering and Technology**, B.Tech in ECE          2019-2023
- GPA:8.2/10.0

## Projects

### SPACEZ

- Developed a responsive website using React, CSS, and Swiper to showcase animated property listings.
- Built interactive property listings with filtering, hover effects, and modals to enhance user experience.
- Optimized for clean UI/UX, responsive design, and smooth multi-page navigation.

### EVOGYM

- Crafted a responsive gym web page using React and TypeScript with modular, reusable components.
- Utilized Tailwind CSS for rapid UI development and consistent styling across all sections.
- Integrated Framer Motion for smooth and interactive UI animations.

### EXPLOREO

- Developed a travel web application using Next.js and TypeScript, optimized for performance and SEO.
- Designed a clean, responsive UI using Tailwind CSS for a seamless experience across all devices.
- Implemented modular React components for reusability, scalability, and maintainability.

### LUX FORM

- Built a dynamic furniture app using React and Redux for seamless state management and data flow.
- Implemented React Router for intuitive, client-side navigation.
- Applied Tailwind CSS for scalable, responsive, and minimalist UI design.

## Certifications

- Certified in Responsive Web Design from Free Code Camp
- Certified in JavaScript Algorithms and Data Structures from Free Code Camp
